

Unit 4: Lesson 3 - Assessment [Teacher's Edition]

Revelatory Insight into Enhancing Our Beings and Human Features

Section 1: True or False - Indicate whether each of the following statements are TRUE or FALSE.

- Revelatory knowledge tells us the following:

True	False	Satan entices humankind to seek immortality
True	False	Human enhancement is not permissible
- Transhumanism aligns closely with Islamic views on life and death. TRUE **FALSE**
- Islamic teachings generally consider significant, permanent changes to the human body for enhancement purposes as impermissible. **TRUE** FALSE

Section 2: Multiple Choice - Choose the correct answer for each of the following questions.

- According to transhumanist ideology, the ultimate goal of enhancing humans is to:
 - Maintain traditional human values
 - Achieve a longer lifespan and superior abilities**
 - Return to a more primitive state of human existence
 - Ensure adherence to religious doctrines
- In the Islamic view, the purpose of human existence is primarily:
 - To evolve physically and intellectually
 - To maximize personal pleasure
 - To know, worship, and love Allah**
 - To seek immortality

Section 3: Short Answer - Write a well-formulated response for each of the following.

- Explain how transhumanism and Islamic theology differ in their views on human enhancement.
- **Transhumanism focuses on enhancing human abilities and prolonging life through technology, viewing humans as evolutionary beings. Islamic theology, however, emphasizes spiritual purpose and the natural human lifecycle, including the inevitability of death and the afterlife.**
- Discuss the Islamic perspective on altering the human body in the context of medical treatment vs. enhancement.
- **Islamic theology allows altering the human body for medical treatment to restore normal function but generally views significant and permanent enhancements for aesthetic purposes or non-medical purposes as impermissible.**
